

MESSAGE FROM THE PRESIDENT

As 2019 comes to its end, I am looking back on everything the Canadian PBC Society has been able to achieve. This year we have delivered great programs, developed new educational material, spread awareness, advocated for PBC patients and participated and sponsored PBC research.

Once again with an amazing group of volunteers, we have been able to accomplish so much. The highlight of 2019 was the National PBC Patient Conference which brought together 150 attendees including patients, family members, friends and PBC experts from across Canada. Our strong PBC community continues to grow and in 2019 we added new regional groups in New Brunswick and Newfoundland.

Whether supporting those who are newly diagnosed or those who are PBC veterans, we continue to be a trusted source of information and a much-appreciated source of personal support and connection.

I'm looking forward to continuing our work together in the year ahead.

Gail Wright
